

Arts & Crafts

Why we need you?

We have residents who are keen to express their artistic skills.
We are looking for passionate volunteers to assist the residents.

What skills do you need?

- A caring and compassionate nature that is adaptable to individual needs
- A friendly, sociable, patient and caring manner
- Understanding of older people and dementia
- Passionate about arts and crafts – a creative flair
- Able to work as a team assisting residents

What will you be doing?

- Assisting the residents with painting and creating art projects
- Assisting with knitting or sewing groups
- Setting up the art equipment and ensuring that the tables are well cleaned afterwards
- Producing seasonal gifts

Time Commitment

Time commitment will be a minimum of twice a month, dates to be agreed with Lifestyle Team Leader. Volunteers should be over 16+ years over and need to apply for a DBS disclosure.

What support we will give you?

We will provide all training you need to feel confident in the role. Interacting with residents and the team will be available to give guidance and advice to you.

What benefits do you gain?

- Experience in interacting with residents
- Opportunity to build self-confidence
- Motivation and sense of achievement
- Boost your art skills
- New experiences and meeting a diverse range of people
- Free DBS disclosure
- We provide polo shirts and badge and will pay reasonable travel expenses
