

# Musical Entertainment

## Why we need you?

Musical entertainment brings joy to our residents and helps stimulate familiar memories. The role is suitable for someone with an enthusiasm for music, a sing-a-long or playing a musical instrument for entertainment. If you are seeking opportunities to perform, and enjoy enhancing the lives of residents and sharing music, then this is the perfect opportunity for you.

## What skills do you need?

- A positive, enthusiastic person who has a passion for entertainment
- Able to play a musical instrument and encouraging residents' participation
- A caring and compassionate nature that is adaptable to individual needs
- A friendly, sociable, and patient manner
- Good verbal communication and listening skills
- Able to emphasise and build relationships with residents and visitors
- Offer wider social contact for our residents

## What will you be doing?

- Promote and facilitate regular entertainment sessions
- Encourage residents to enjoy music and reminiscing
- Organising a sing-a-long
- Watching musical movies

## Time commitment

Time commitments will be discussed and agreed; a regular time commitment is preferred. Volunteers must be 16 years old and over and need to apply for a DBS disclosure

## What benefits do you gain?

- Opportunity to share skills and knowledge
- To build self confidence and produce gardening projects
- Motivation and self achievement to boost your career options
- Participation in our training and development programme
- New experience and meeting a diverse range of people
- Free DBS Disclosure
- Enriching our residents' day to day experiences
- Making a difference in your local community
- Increase your circle of friends
